

ASX.

Corporate Prepaid Cards provides Mastercard, Visa and eftpos prepaid card solutions to some of Australia's biggest institutions listed on the Australian Stock Exchange. Cards are often used by multiple departments or subsidiary businesses to meet specific program requirements.

Our Prepaid Cards are accepted anywhere Mastercard, Visa or eftpos is accepted, giving card recipients the freedom to enjoy their prepaid card anywhere they want.

**ASX businesses choose Corporate Prepaid Cards because:**

- **Variety of card options.** Plastic, SMS and e-mail delivered cards. Choose from single-load, reloadable, and zero balance cards for future loading.
- **Flexible load values:** Cards can be loaded with values up to \$9,999.
- **Preferred reward, incentive or gift.** Accepted anywhere Mastercard, Visa or eftpos can be used.
- **Ease of use.** Contactless payment and optional ATM cash withdrawal.
- **Branded cards.** Clients can customise their card design with the logo or branded design.
- **Fast, same day delivery.** Digital Cards are sent same-day by SMS. Emailed Cards sent same-day by email.
- **User-friendly Client Portal.** Employees can easily and securely manage their card program(s).
