

# PROPERTY.

Superior payment solution built for the property industry.

Rental Rewards allows residential tenants to pay rent real estate agents using a variety of payments methods including credit cards.

- Covering all Payment Types
- With flexibility to pay the way that suits
- And in-built tools to make payment seamless
- Accept all types of payments in the one solution
- Real time payment history
- Highly configurable
- Proven and superior service backed by 19 years of industry experience

Corporate Prepaid Cards provides Mastercard, Visa and eftpos prepaid card solutions to a range of businesses in the Property sector.

This includes property and land developers, real estate (agents), builders, financing groups and other allied services.

Prepaid Cards offer ultimate choice to recipients, making it the preferred reward and incentive, so businesses can cultivate a loyal customer base and drive referrals.

Property & Real Estate organisations choose Corporate Prepaid Cards because:

- Variety of card options. Plastic, SMS and e-mail delivered cards. Choose from single-load, reloadable, and zero balance cards for future loading.
- Strong brand presence. Our prepaid cards can be customised with a branded design, as a reminder to the recipient from whom the card was issued.
- Flexible load values: Cards can be loaded with values up to \$9,999.
- Preferred reward and incentive. Employees, clients and partners can use their card anywhere Mastercard, Visa or eftpos is accepted.
- Streamlines incentives and commissions payments. Reloadable prepaid cards enable organisations to easily provide commissions, managed via our self-serve portal.
- User-friendly Client Portal. Organisations can easily and securely manage their card program(s).
- Fraud protection and compliance. Removing the risk associated with the allocation of cash.
